

## **A11 Babraham to Six Mile Bottom resurfacing update**

I'm writing to update you on the essential maintenance work we're carrying out on the A11 between Babraham and Six Mile Bottom. Our work includes resurfacing and sign renewals. This will ensure that the A11 remains safe and serviceable for years to come.

Work began on Monday 6 March 2023 and is expected to be complete by **January 2024**.

Our next phase of work will take place on the A11 southbound between Granta Park and Stumps Cross from **Thursday 30 November 2023 to Wednesday 24 January 2024**. Work will be carried out on weeknights between **8pm and 6am**.

### **Closures and diversions**

To carry out the work safely, we need to close the **A11 between Granta Park and Stumps Cross**.

While the A11 is closed, traffic will be diverted to exit the A11 at the merge point with the A505, then take the A505 westbound to junction 10 of the M11, then follow the M11 southbound.

During the Christmas period we will not be working between **Thursday 21 December 2023** and **Friday 5 January 2024**.

A map of the diversions can be found overleaf.
