

The following planning application was considered by the South Cambridgeshire District Council Planning Committee on **09 August 2023**:

Construction of two bridges and all associated structures, ramped walkways, stairs, lifts, boundary wall, footway and cycle paths, lighting, utilities, construction access, construction compound, hard and soft landscaping works, planting, tree removal, earthworks, drainage infrastructure, surface water drainage features and all necessary enabling works and demolitions - Application Number 23/00482/FUL. This application had been called in for consideration in committee at the request of Hinxtton Parish Council with the support of local District Councillor Peter McDonald. The Chairman of Hinxtton Parish Council (Cllr Sam Nichols) attended the meeting, together with Cllrs Chris Elliott and Hugh Taylor, and made personal representation against approval with particular reference to the building of 2 bridges across the A1301, one being relatively close to the village, as opposed to one central bridge. **By majority vote, the Planning Committee decided to approve** - full details of the planning application are to be found
