	<p><b>Part 1 : Non confidential information.</b></p>
2302/01	<p><b>To receive and approve apologies for absence</b> Sam Nichols</p>
2302/02	<p><b>To receive members' declaration of interest for items on this agenda:</b> none declared</p>
2302/03	<p><b>To sign and approve minutes of meeting dated 9<sup>th</sup> Jan 2023</b> Minutes approved and signed</p>
2302/04	<p><b>Exclusion of the Public.</b> To determine which items, if any, from Part 1 of the Agenda should be taken with the Public excluded.</p>
2302/05	<p><b>Report from South Cambridgeshire District &amp; County Councillor P McDonald</b> Cllr McDonald had sent in his report beforehand, this is available on the website but in brief:</p> <p><b><u>Budgeting &amp; Council Tax</u></b> The proposal is to approve an increase in the District element of the Council Tax of £5 per annum, giving an average Band D Council Tax of £165.31, plus the relevant amounts required by the precepts of the Parish Councils, Cambridgeshire County Council, Cambridgeshire Police &amp; Crime Commissioner, and the Cambridgeshire Fire Authority.</p> <p><b><u>Key Amnesty for Council Houses</u></b> Anyone misusing Council properties is being offered a one-off opportunity to return their keys without facing criminal proceedings during a month-long crackdown by South Cambridgeshire District Council. A Key Amnesty campaign called #DoTheRightThing is taking place across the district during February to give tenants the opportunity to voluntarily hand in their keys, for a limited time, with the promise of no further action being taken.</p> <p><b><u>Good news on Funding for Housing</u></b> The Council has been awarded £4.5 million as part of the Government's Local Authority Housing Fund. The funding, which will run over this financial year and into 2023-24 is to help the Council to acquire 30 additional homes. These will initially be used to accommodate refugees from Ukraine and Afghanistan, but when they are no longer needed for this purpose the homes will be available through the housing waiting list (as council houses)</p> <p><b><u>More frequent battery recycling collections</u></b> Cambridge and South Cambridgeshire households can now conveniently recycle used,</p>

<p><b>2302/06</b></p>	<p>small batteries weekly, thanks to changes to waste collections. Adjustments to bin lorries mean that small plastic bags containing used batteries can now simply be left on top of green, black or blue bins for collection by crews on their usual rounds.</p> <p><b><u>New funding for defibrillators</u></b>          The Department of Health and Social Care (DHSC) has announced £1 million of funding to increase the number of automated external defibrillators in communities – providing an estimated 1,000 new defibrillators in community spaces in England</p> <p><b><u>Homes for Ukraine: Hosts still needed for guests already in South Cambridgeshire</u></b>          Hosts are still desperately needed across South Cambridgeshire to support families who have already arrived from Ukraine, with hosts eligible to receive up to £500 a month as a thank you payment. Around 770 people from Ukraine have already arrived in South Cambridgeshire and with the war continuing - and it not being safe for many families to return - there is an ongoing demand to provide them with a safe place to stay.</p> <p><b><u>New “Energy Bills Discount Scheme” for businesses announced</u></b>          On 9 January the government announced a new energy scheme for businesses, charities, and the public sector, ahead of the current scheme ending in March. The scheme will mean that all eligible UK businesses and other non-domestic energy users will receive a discount on high energy bills until 31 March 2024.</p> <p><b><u>Bus Services &amp; Precept</u></b>          At the Combined Authority Board meeting on 25 January the Board approved the Mayor’s draft budget for 2023/24 incorporating a Mayoral General Precept to support buses across our region. The Mayoral General Precept, will be an annual charge of £12 for a band D property and, based on forecasts from collection authorities would raise £3.6m in 2023-24. The precept is in response to the financial pressure facing the Combined Authority across its supported bus services. Stagecoach withdrew from 18 bus routes and reduced a further 5 citing that declining bus travel compounded by the pandemic made these routes financially unsustainable.</p> <p><b><u>Households to get new cost-of-living payments from spring 2023</u></b>          The Department for Work and Pensions (DWP) has announced more detail on the payment schedule for the next round of cost-of-living support unveiled in the Chancellor’s Autumn Statement on 17 November. The £900 payment for over eight million eligible means-tested benefits claimants (including those on Universal Credit, Pension Credit and tax credits) starts in spring. Payments will go directly to bank accounts in three payments over the course of the financial year. There will also be a separate £150 for over six million disabled people and £300 for over eight million pensioners on top of their winter fuel payment. Payments will be made automatically if individuals are eligible and there will be no need to apply.</p> <p><b>Great Chesterford Hardcore Site : ESS/109/22/UTT</b>          This was refused. Planning Appeal:  <a href="https://acp.planninginspectorate.gov.uk/ViewCase.aspx?CaseID=3306988&amp;CoID=0">https://acp.planninginspectorate.gov.uk/ViewCase.aspx?CaseID=3306988&amp;CoID=0</a></p> <p><b>Updates</b></p> <ul style="list-style-type: none"> <li>a. The annual safety inspection will be carried out in the next few weeks.</p> <p>f. Highways. Main Topic of conversation was the state of the roads, below are the comments received recently from County Council.</p> <p><u>Potholes- comment from County Council:</u></p> <p>Potholes have worsened dramatically following the December freeze and continuing wet weather, unsurprisingly given the effects of freezing temperatures and water on long neglected infrastructure resulting from decades of underfunding and a policy of ‘managed decline.’ Last summer’s drought has had an additional impact on soil beneath road structures, causing further problems.</p> <p>We have been working closely with our Local Highways Officer to log potholes for action and we would encourage everyone to please check on the ‘Cambridgeshire Report a Fault’ webpage <a href="https://highwaysreporting.cambridgeshire.gov.uk/">https://highwaysreporting.cambridgeshire.gov.uk/</a> to find out whether potholes you are concerned about have already been logged. If not, please do log the pothole and note the reference number. If there is a problem with the reporting page do let us know. Please note that currently, when the subcontractors go out to fill potholes, they can only address what has been logged on the system, though the council is looking at whether this can be changed.</p> <p>You’ll be interested to know that in one week in January 5586 potholes were reported – 2.5 times the normal. The dragon patchers (of which there are two) can do 100 every day, with manned teams able to do only 20 a day. We fixed more than 45,000 last year. Over 500 claims are made for compensation for vehicle damage every year of which the County Council settle approximately 85.</p> <p>g. Village Hall Nothing new to report.</p> <p>h. A505 Report- (awaiting report from meeting in Sept)</p> <p>i. Aggregate site in Gt Chesterford. The license has been refused.</p> <p>j.
