

## Emerging from lockdown into Tier 2

We remain under the rules of the national lockdown. From one minute after midnight on Wednesday 2 December, we will enter Tier 2, along with the rest of the East of England.

Information that you may find useful about the new measures:

- The Government's [summary of Tier 2 measures](#)
- Attached is a 9-page summary of the Winter Plan – or you can [view the full 64-page document](#)
- If you want to look up which Tier another area is in, you can use the Government's [look-up tool](#) with a post code

One area that may have been causing some confusion is how the previous 'rule of 6' would work under the new Tier system and with the [Christmas bubbles](#). The guidance set out above makes it clear that, in Tier 2:

- You must not socialise with anyone you do not live with or who is not in your support bubble in **any indoor setting**, whether at home or in a public place
- You must not socialise in a group of more than 6 people outside, including in a garden or a public space – this is called the 'rule of 6'.
